KYC

Definitely Not IITians

Spent More than 2 years in the House itself Without Class Room Sessions

Not More Hardworkers and in-fact not Able todo More hard-working

More Handy to Mobile Rather than Laptop

Expecting More Packages and not Understanding the Importannce of the Subject

MySelf

1. Passionate Towards to the Training
2. Dedication
3. Patience
4. Love to Spend hour's Together with the Job Seekers
5. Keep Focusing on Every Learner
6. Understanding Every Student View's and Motivating them to Go-ahead

NOT AND NOT AT ALL

PPT Presentations

Walking through the concepts

Looking to just complete the topic

Going through only theory concepts

Leaving the students with a doubts

Assuming student knows already some extent

Very speed accent

What Job Seeker Required ?

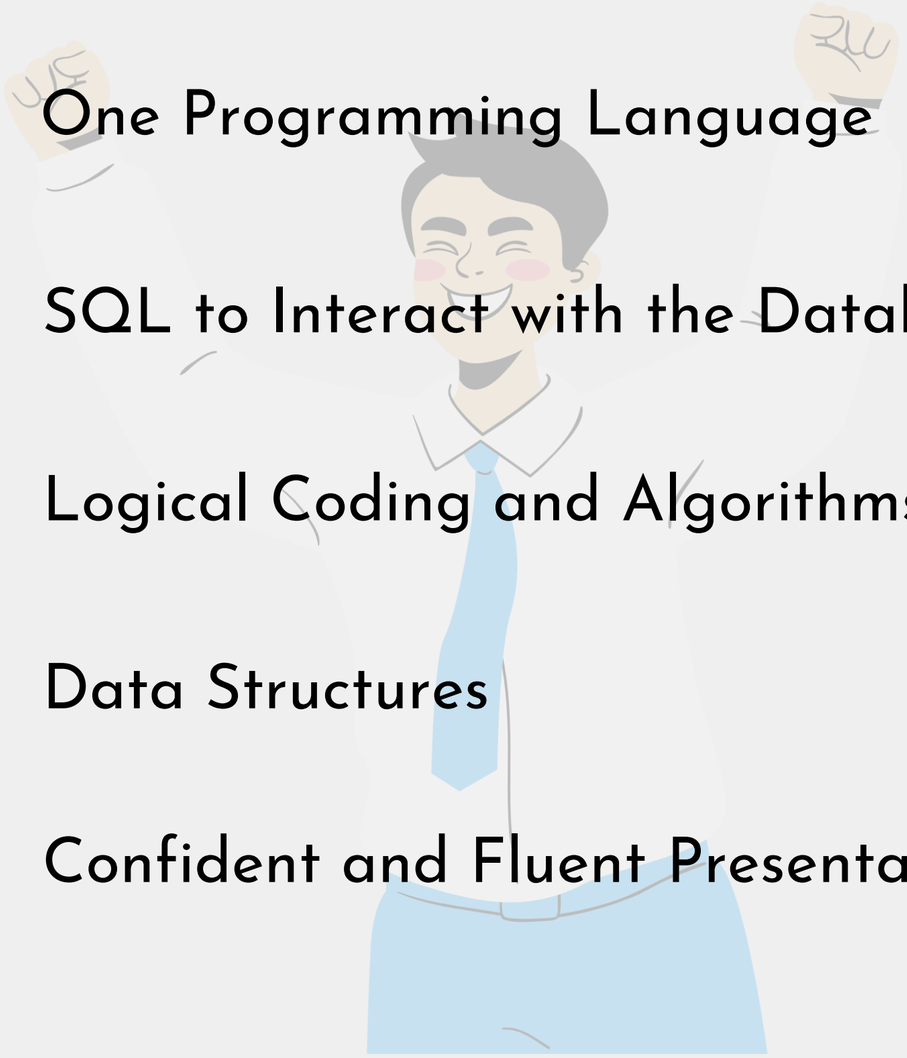
Good
Confidence

Good
Communication

Presenting what student knows very fluently and effectively

Understanding and Explaining evrything in the practical way

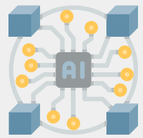
SURE SUCCESS PANDAVAS



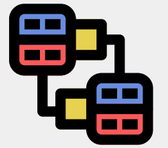
One Programming Language

SQL to Interact with the Database

Logical Coding and Algorithms



Data Structures



Confident and Fluent Presentation

Lara TECHNOLOGIES

JOB READY EFFORTS

- Aptitude

★★★★★ 3 months ago

Hello everyone, myself Navaneetha N, I completed my graduation in 2020 ,I am from BCA background.
My sister suggested to join Lara institute to upgrade my skills. I joined Lara in October 2021, within 4 months I got placed in XYRAM SOFWARE SOLUTIONS. This is all because of Ramesh sir .Ramesh sir will teach every concepts from basics to advanced.
Thank you so much sir for all your guidance, support, motivation.
I strongly recommend each and everyone to join Lara Technologies who wants to build their career as Java full stack developer.

Hello everyone, myself Vidyashree H S, I completed my graduation in 2015 in CS branch. Due to personal reasons I couldn't work anywhere.
Then I got know about Lara Technologies and Ramesh sir.
His way of teaching all concepts from basics to advanced and all kinds of programs is unmatchable.
With all his knowledge and my hardwork I got placed in Exaleap Technologies.
Thank you so much sir for all your guidance, support, motivation.
I strongly recommend each and everyone to join Lara Technologies who wants to build their career as Java Fullstack developer.

Hi i am a 2008 passed out.. I wanted to get into IT field.. Every one laughed at me when I told my decision.. But it's only Ramesh sir who supported me and helped me in getting placed..

His style of teaching is Excellent.. I thank Ramesh sir from Lara technology for everything..

Switching from Educational Institutions to IT industry!
That too after 14 years!!

Only passion.. But, "possible" as a fresher?
I received as
'nope', 'not at all', 'never', 'crazy!? How come?' etc.,
from many people.

But replied to all of them with my placement as a JFD-Fresher within 4 months.

Howwwww..???!!!!

I, V R ANJANEYULU TELUKUTLA glad & proud to share this achievement was possible under guidelines of only person (Ramesh sir) & only place(LARA TECHNOLOGIES).

HEARTFELT GRATITUDE sirrrr🙏
